

Staying in touch with you is critically important as I serve as your representative. That's why I've initiated an e-newsletter update. You can sign-up by [clicking here](#) .

By signing up for the e-newsletter update, you will receive emails that include:

- **Opinion and feedback surveys** - So you can share where you stand on the issues and help me do a better job as your representative.
- **Important legislative updates** - Including the details on current legislation and votes, to: help our economy recover, make health care more affordable, ensure the military and veterans receive the support they need, to protect our environment and many other issues.
- **Invitations to events in your area** - So that you'll be able to join as I meet with folks and travel through our local communities.
- **Breaking news on issues that affect you** - So that you'll have the details you need on the issues that matter most.

If you would prefer not to receive e-mails, you can view all previous e-newsletters below.
